ZYPHORIA '26

International Symposium *Organised by the Department of Computer Science and Engineering, Rajalakshmi Institute of Technology In Association with iDataMind*

🗓️ Event Overview

- **Technical Events:** 15 April 2026
- **Non-Technical Events:** 16 April 2026
- **Venue:** Department of CSE, Rajalakshmi Institute of Technology (RIT)
- **Tagline:** The Future, Compiled.

🌟 About the Symposium

Zyphoria '26 is an International Symposium that brings together students, innovators, and technology enthusiasts from various institutions. It encourages creativity, innovation, and collaboration through engaging competitions.

Core Pillars

- **Innovation:** Experience cutting-edge technology showcases, AI-driven challenges, and hands-on competitions curated by iDataMind and CSE faculty.
- **Competition:** Battle the brightest minds across institutions in 14+ technical and non-technical events.
- **Community:** Connect with industry experts, researchers, and fellow tech enthusiasts from institutions worldwide.

🚀 Events Catalog

💻 Technical Events (15 April 2026)

1. **Reverse Engineering Arena:** Decode and reverse-engineer software or logic puzzles to uncover hidden functionality.
2. **AI Prompt Engineering Battle:** Craft effective AI prompts to solve challenges using generative AI tools.
3. **UI/UX Redesign Challenge:** Redesign an app or website interface to improve usability and aesthetics.
4. **Tech Treasure Hunt:** Solve technical clues and puzzles scattered across campus.
5. **Research Pitch:** Present research ideas or papers in a concise, compelling pitch to judges.
6. **Build a Startup in 60 Min:** Conceptualize and pitch a startup idea with a business model in just one hour.

7. **Bug Hunt:** Find and fix bugs in code snippets across multiple rounds of increasing difficulty.

🎨 Non-Technical Events (16 April 2026)

- Engineering Standup Comedy
- Tech Meme War
- Mystery Box Innovation
- Reel Making Challenge
- Tech Dum Charades
- E-Sports
- Marketing a Useless Product

🕒 Schedule

Day 1: Technical (15 April)

- Reverse Engineering Arena
- AI Prompt Engineering Battle
- UI/UX Redesign Challenge
- Tech Treasure Hunt
- Research Pitch
- Build a Startup in 60 Min
- Bug Hunt

Day 2: Non-Technical (16 April)

- Morning-Afternoon: Non-Technical Events (List above)
- Closing: **Valedictory Ceremony** (Details to be announced soon)

📝 Registration Details

- **Registration Fee:** ₹150 per participant
- **Team Requirements:** Team of 3 participants (Includes 1 Technical + 1 Non-Technical event)
- **Process:** 1. Complete payment of ₹150 via the secure portal. 2. Fill out the registration form with Team Leader and Participant details.

👥 The Team

Organizers

- **Dr. S. Uma:** HOD / CSE
- **Dr. N. Indumathi:** AP / CSE

Faculty Coordinators

- **Ms. J. Sindhuja:** AP / CSE
- **Mr. P. Murugan:** AP / CSE

Student Coordinators

- **Divyadarshini K:** 8056120505
- **Gajalakshmi C:** 9994335576
- **M. S. Sathish:** 9384579988
- **S. Sanjit Kumar:** 8667509464
